

SOME OF THE RACERS

Who Will Contest at the Tournament of the Steubenville Club.

JOHNSON AND BLISS ARE ENTERED

With a Number of Others Scarcely Less Noted—A Big Crowd Will Go Up From Wheeling—The Handicap Entries Are Closed—Those Who Are Entered—Pittsburgh Ball Club De-feated—Other Late News of Sport.

The Steubenville Athletic Club's bicycle racing tournament, on the fine half-mile Pleasant Heights track, next Tuesday and Wednesday afternoons will draw an immense attendance, it is estimated, and Wheeling's cycling population will go up almost en masse. Special rates, one fare round trip, have been secured on the Pan-Handle. Johnson and Bliss will both go after the half-mile and mile records on the Steubenville track—this will be an added attraction at the meet.

Yesterday the entries for the handicap events closed, and the array of racing men entered is better than the club had at first expected. The Class B. cracks entered are as follows: A. L. Brown, Cleveland; E. C. Hall, Buffalo; Raymond McDonald, New York City; W. J. Edwards, San Jose, California; W. F. Murphy, Brooklyn; E. J. Titus, New York City; W. H. Wells, Brooklyn; W. J. Hall, and E. J. Miller, Utica, N. Y.; Calahan, of the Press Bicycle Club, Buffalo; Ben Cleveland, of the Stearns racing team; E. C. Johnson, R. E. Goetz, and James S. Johnson, of the Triangle team; George H. Ellithorpe, of Peach-ton, O.

Class A men entered are as follows: L. C. Johnson and George D. Comstock, Cleveland; Ed Paul, Harry Wilkins, W. B. Walker, John Wachter, Clyde Quimby and George Helms, Steubenville; William Matthews and Frank B. McNear, Wellburg; C. C. Aughenbaugh and Bert C. Trons, Beaver, Pa.; Bert Morrison, Connelville; W. H. St. John and A. G. Hornum, Toledo; Herman Kinsman, Rochester, Minn.; B. G. Goble, S. L. Nelson, Paul E. Jackson, Pittsburgh; George Hale, Wellsville; J. E. Patterson, Williamsburg, Pa.; George Redfern, Wilmerding, Pa.; A. L. Baker, Columbus, Ohio; Ed Smith, Toronto, Ohio; C. C. Van Tine, Findlay; H. E. Hastings, Washington, Pa.; Samuel Ramsey, Philip Cunningham, Erie, Pa.; Oscar T. Smith, John L. Kinghorn, C. E. Garvin, Wheeling; Henry Krupp, Uhrichsville.

Haskins, of Washington, Pa.; T. B. Eddy, of Columbus, O.; W. H. Barstall, of Pittsburgh; T. H. Kennedy, of Sharnsburg, Pa.; George E. Myers and Frank J. Tan, of Cleveland. These are all Class A men.

A Dangerous Man.

Ed Donnelly, the local cyclist, has received a new racing wheel and is including in daily fast spins on the pike. It is thought he will prove a dangerous on the track this fall.

THOSE NEWARK RACES

That Were Not Run Create Dissatisfaction—Tyler After Records.

NEWARK, O., July 25.—Some of the racing men gathered here for the League of Licking Wheelmen race meet in the national circuit were very wrath yesterday when the meet was finally called off altogether. Rain fell until 6 o'clock, the sun came out bright, and the day was warm. The track being completely surrounded by a mound ten to fifteen feet high, a relic of the mound builders, is shielded from all wind, but the dense growth of trees inside the enclosure and surrounding the mound, prevents the sun striking but little of the track, and it dries slowly.

Sanger, Johnson, Bliss, Bald, Titus and others have inspected the track and record attempts may be made here later in the season. A wagon load of oil was proffered by the Standard Oil Company for the purpose of burning oil on the track, but the Agricultural Society, controllers of it, would not allow burning, as this injures the surface almost irredeemably by baking. Oil was used freely at Pittsburgh last year, and the track, which had been a record breaker, resembled a plowed field when the races were called. Every one of the prominent fliers, with the exception of Tyler, was here. The telegraph brings the information that Tyler will ride for the mile record, now held by Bliss, at Waltham, Friday, and failing then will go again next day. Bliss is here, and is prepared to try again for the records, should they be broken.

Race meet promoters all over the land are waiting to place class races on the programmes, and half a hundred followers of the circuit have little show in the races. In the open contests with Sanger, Tyler, Bald, Johnson, Bliss and others, unless class races for 2:20 class, 2:25 class, and so on are run, half the men now out will be returned to their homes.

TOLEDO CIRCUIT RACES.

A Slow Track Prevented Fast Time—The Results in Detail.

TOLEDO, O., July 25.—On a slow track at the Exposition grounds the races of the national circuit opened to-day in the presence of 3,000 people. Only ordinary time was made in the several events and in none was there what could be called an exciting finish. Summary:

TARAL ON LAMPLIGHTER

Won Yesterday at Saratoga—The Attendance Poor and Track Likewise.

SARATOGA, N. Y., July 25.—The attendance at the races here to-day was about on a par with the small number of yesterday. The weather was superb, the westerly breeze cooling the atmosphere. The track was partly heavy, the result of last night's storm. Summary:

First race, mile and a quarter—Lamp-lighter, 114, (Taral), 1 to 3 and out, won; Cactus, 112, (Griffin), 10 to 1, second; Illume, 114, (Noble), 15 to 1, third. Time, 1:58.

Though Boston and Brooklyn parted even yesterday afternoon, the champions tightened their hold on first position in the league race, for Baltimore was again defeated by the speedy Giants of Gotham. The games of the Baltimore club this week with the New York and Boston clubs are of the crucial order and will undoubtedly decide whether the Orioles will continue a factor so far as first place is concerned.

The two games already played with the Giants would seem to indicate that Hanlon's men are not equal to the emergency. Pittsburgh received its worst drubbing of the season at the hands of Uncle Anson's Colts. New York and Cleveland are undoubtedly going to be in it for first place and both will likely pass Baltimore very soon. Cincinnati is getting dangerously near the Pirates.

A SLUGGING MATCH.

A Wheeling Team Overwhelmed Over at Martin's Ferry.

The Irwin base ball club was scheduled to play the Martin's Ferry team at Y. M. C. A. park over the river yesterday afternoon, but more than half of the local team were unable to participate. Consequently it was a patched up team that faced the athletic young men of the Ohio town, and victory for the locals was not anticipated. Henry, who pitched for the Wheeling aggregation was batted for twenty-six hits. Parcell, of Martin's Ferry, had his fingers split in the third, and Kane took his place at third base. The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages and that is catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address, F. J. Summer Complaint.

Last fall I was taken with a kind of summer complaint, accompanied with a wonderful diarrhea. Soon after my wife's sister, who lives with us, was taken in the same way. We used almost everything without benefit. Then I said, let us try Chamberlain's Colic, Cholera and Diarrhea Remedy, which we did, and that cured us right away. I think much of it, as it did for me what it was recommended to do.—John Hertzler, Bethel, Berks Co., Pa.

over your washboard, in that painful, old-fashioned way, these are some of your positions. Just try these motions, up and down, without the tub. That will prove how hard they are. Then try Pearlina's way of washing.

That will prove how needless and absurd they are. Without the washboard and the rubbing on it, and without bending over the wash-tub or bobbing up and down over clothes and the work for your back. That's Pearlina's way. Directions on every package.

Peddlers and some unscrupulous grocers will tell you "this is as good as" or "the same as Pearlina." IT'S FALSE—Pearlina is never peddled, and if your grocer sends you something in place of Pearlina, be honest—send it back.
